

Classmate Questionnaire – 50 Years

Fifty years!! How can that be? This questionnaire will be used to update our classmates on our journeys through life. Please provide the following information for our 50th reunion website directory. Return electronically by August 1, 2026 to admin@1976sjhsmanassas.com. In an effort to mitigate any risks associated with adding this information to our SJHS Class of 1976 website, we ask that answers be in a generic format. Please note: if there is information you would like to not be included online, please leave blank.

First and Last Name, previous names and nicknames: Carole Strickland Moore
City and state of current Harrisonburg, VA
The quick update – where has life taken you in the last 50 years? It's been a 50-year odyssey. I lived in 8 states and traveled to 20+ countries for work and leisure.
Your passions and free time (What hobbies, interests or volunteering activities keep you busy?): Now retired from my career as a clinical and public health laboratory scientist, I keep busy visiting my 8 grandchildren, travelling with friends, and maintaining my new home in the Shenandoah Valley. I work as a CASA for Rockingham County and volunteer with our local Isaiah 117 House.
Favorite memories and milestones (A favorite life experience or adventure): All of it! I loved every job, every home, and every destination along the way. As a daughter, wife, mother, and healthcare provider I have been present during extraordinary moments in the lives of the many people I met along my journey.
What do you consider your greatest accomplishment in the last 50 years: My 42-year marriage to Robert Moore, SJHS class of 74. Together we transitioned through multiple states and jobs while raising 3 wonderful children. He fought a valiant battle against Idiopathic Pulmonary Fibrosis, (IPF) but died of post lung transplant complications in 2020.
Travels and Adventures

Too many favorites to list but my month in New Zealand and Tasmania this year was amazing.

Family Joy

I have three children, a daughter teaching at James Madison University married to a Lacrosse coach with 2 children, another daughter in the DC metro area working in asylum and refugee law married to a patent attorney with 2 sons and a daughter, a son in the Atlanta area, working in IT married to a middle school science teacher with 1 son and 2 daughters.

SJHS Flashback

Building the float my sophomore year at my home in Sudley. It made my mother so happy to have you there. I think she wanted to adopt everyone by the end of the week.

Then vs. Now

I continue to sew and I am currently honing my quilting skills.

Message to our class

I left Virginia 50 years ago shortly after graduation. I didn't think life would bring me back here, but in 2022 it did. I look forward to reacquainting myself with you.
