Travels and Adventures : An amazing 40th anniversary trip to Italy with our daughter and son in law. They planned it all and we just showed up and enjoyed! Still hoping to travel to New England & several National Parks out west.
Family Joy: I am blessed with an amazing Husband, A beautiful daughter...inside & out, married with 2 daughters; 2 very talented sons, one married with a son & daughter & one single. Honored to have my mom live with us for 5 years. She passed in October 2025. Family BLESSINGS!
SJHS Flashback (Share a fun, general memory of our high school days): Cheering at countless sporting events & amazing friends. High School was very fun!
Then vs. Now (share music/hobby you enjoyed in 1976 vs. what you enjoy now): I still enjoy 70's music, however I do listen to mostly contemporary Christian music today. My High School Days were spent cheering at countless ball games, some sewing (mostly clothes) and hanging out with friends. My life journey allowed me to use the sewing to build a successful drapery business for 35 years. Today I enjoy sewing & crafting for fun. Art/painting has developed in my adult years, as well as reading. In High School I read only what I had to. Today I love to sit down with a good historical novel.
