The quick update – where has life taken you in the last 50 years? (A brief 2-3 sentence summary of your journey):

After HS I attended Jacksonville State University (AL), started my teaching career in Atlanta, married and moved to Columbia, SC where I lived until 2024.

Your passions and free time (What hobbies, interests or volunteering activities keep you busy?):

I love to play Pickleball! I enJOY spending time with family and travel frequently. I still enJOY Interim positions in Education Leadership.

Favorite memories and milestones (A favorite life experience or adventure):

I am beyond blessed with special memories and milestones.....it is impossible to name just a few.

What do you consider your greatest accomplishment in the last 50 years:

My greatest accomplishment in the last 50 years is being a wife, mother, and Nana. There is nothing more important to me. I also had a very successful career in education in which I earned many accolades in my 43 years of service.

Travels and Adventures (Share a few of the favorite places you've visited and/or any place still on you bucket list):

I love to travel! My most recent favorite trip was 10 days in Kenya in 2024. I was able to see the Northern Lights in Iceland in 2018. I will take an Alaskan Cruise in August which will check off my 39th US State.

Family Joy (If you'd like to share, tell us about your family make up, avoid specific names and ages due to privacy concerns):

I was married for almost 31 years before my husband died of Multiple Myeloma in 2016. Steve and I raised 2 boys, Briggs, an attorney in SC, raising my two perfect grand-girls with his lovely wife, Evelyn. Our youngest son, Collin, works in Lowe's Home Improvement Management in SC. I remarried in 4/25, and my husband, Jim, has 3 sons, a daughter, and 2 grandchildren. We feel very blessed to have lovingly blended our families.

SJHS Flashback (Share a fun, general memory of our high school days):

I loved being a Cheerleader and attending so many sporting events. I continue to love sports, and remain pretty vocal as a fan - LOL!

Then vs. Now (share music/hobby you enjoyed in 1976 vs. what you enjoy now):

I still love the music of our HS days and listen to it often. I have always loved live music and living in Nashville lends itself to seeing lots of amazing talent. I embraced Country music a long time ago!

Message to our class (share anything else you'd like our classmates to know about you):

My favorite word is JOY, and I choose JOY every day (and I always capitalize it!) I love staying in touch with classmates from all of my years at SJHS (I moved into SJHS in March of 74). In this very turbulent time in our world, I would like to challenge each of us to BE KIND TO EVERYONE: Ephesians 4:32.

Are you planning to attend our 50th reunion on October 3, 2026?
